

**NOTES:**

1. River miles estimated from "Catalog of Washington Streams and Salmon Utilization", (Williams et al. 1975).

2. The information included on this map has been compiled by staff from a variety of sources and is subject to change without notice. King County makes no representations or warranties, express or implied, as to accuracy, completeness, timeliness, or rights to the use of such information. King County shall not be liable for any general, special, indirect, incidental, or consequential damages including, but not limited to, lost revenues or lost profits resulting from the use or misuse of the information contained on this map. Any sale of this map or information on this map is prohibited except by written permission of King County.

**LEGEND**

- Road
- River Mile & No.
- Urban Growth Area Line
- Subwatershed Boundary
- Incorporated Area
- Publicly-owned and Managed Lands
- Action Project Location/No.
- Priority Habitat Protection Area

**MG-19** These seven locations were identified as priority areas to protect currently functioning habitat, and range from 46 to over 200 acres. Protection through acquisition depends upon the voluntary cooperation of property owners and available financial resources.
